CENTERSVET

Centersvet was founded in 2005 by a married couple, partners in life and business, Evgeny Shchegolev and Natalya Shchegoleva. We combine traditions, merge styles, create refined proportions, selected combinations, exquisite design, innovate, research, improve and integrate advanced lighting technologies into our products. We design, manufacture and sell beautiful and high-quality lamps, modern and functional lighting with love, soul and dedication.

Light influences everything in our lives and shapes our cultural codes, our emotional state, atmosphere, mood, our productivity and happiness.
